Holiday Quotes:

“I heard the bells on Christmas Day their old, familiar carols play, and wild and sweet the words repeat of peace on earth, good-will to men!” Henry Wadsworth Longfellow.

“Our many different cultures notwithstanding, there’s something about the holidays that makes the planet communal. Even nations that do not celebrate Christmas can’t help but be caught up in the collective spirit of their neighbors, as twinkling lights dot the landscape and carols fill the air. It’s an inspiring time of the year.” Marlo Thomas.

“If you haven’t got any charity in your heart then you have the worst kind of heart trouble.” Bob Hope. “Christmas is doing a little something extra for someone” Charles M. Schulz. “Once again, we come to the Holiday Season, a deeply religious time that each of us observes, in our own way, by going to the mall of our choice.” Dave Barry.

Special Thank You Offered: The board would like to say a special thank you to Barry Myers for volunteering with the mowing of the Ellis Drain Field area in recent weeks. Thank you Barry.

Tree Pruning Recommended on Private Lots:

It’s important to realize that all homeowners are responsible for tree pruning on their own lots. If you have trees with limbs that could become a hazard in our winter storms it is important to prune them as necessary to avoid unexpected problems. Please be proactive with necessary tree pruning on your individual lot. Thank you in advance for your cooperation.

Prior Approval Required:

It’s necessary to get prior written approval from the Architectural Committee before making changes to your lot in any way. If you are looking to add more parking area with gravel etc. this is only allowed if you have prior written approval from the committee. You can email your request with drawings and dimensions to foresthavenhoa@gmail.com or mail to FHHOA, PO Box 67 Molalla OR 97038

Fireworks Reminder:

Only fireworks that are considered legal in the state of Oregon are allowed anywhere within the Forest Haven Homeowner Association. During this holiday season the only days allowed for use of fireworks are from Dec. 31st to January 1st. There are several reasons for this policy. Fire safety, noise levels and litter are the main issues for limiting the use of fireworks. If there are violations of this policy then there will be a \$100 fine per occurrence. Thank you in advance for your cooperation.
